HOUSE:

——— attends the Lords Commissioners in the House of Peers,—at the opening of the Session, 3; at the close of the Session, 437.——For Presentation and Approbation of Mr. Speaker Elect, 23.

——— Resolutions of,—

——— Mr. Speaker's retirement,—That the Thanks of this House be given to Mr. Speaker,—for his distinguished Services in the Chair, during a period of nearly Fifteen years, &c. (*Nem. Con.*), 22.——That the Thanks of this House be given to Mr. Speaker,—for what he has said this day to the House; and that the same be printed in the Votes of this day, and entered in the Journal of this House, 22.——For presenting an Address to Her Majesty, praying Her to confer some signal mark of Her favour upon Mr. Speaker, &c. (*Nem. Con.*), 22.

——— That the House be represented at the Thanksgiving at Saint Pauls Cathedral on the 27th day of this instant February by Mr. Speaker; and that each Member be admitted to the Cathedral by Ticket, 52.

——— That this House doth authorise Mr. Speaker, as representing this House, to join in the Royal Procession to Saint Paul's on the 27th day of this instant February, 61.

——— That this House finds no just cause for a Parliamentary censure on the conduct of the Government in the recent appointments of Sir Robert Porrett Collier to a Judgeship of the Common Pleas, and to the Judicial Committee of the Privy Council, 52.

——— That, in the opinion of this House, the time which has elapsed since the passing of the Elementary Education Act of 1870, and the progress which has been made in the arrangements under it, are not such as to enable this House to enter with advantage upon a review of its provisions, 79.

——— That, in the opinion of this House, it is desirable, in the interests of the due administration of justice, that the Judge of a County Court District in which the Welsh Language is generally spoken should, as far as the limits of selection will allow, be able to speak and understand that Language, 88.

——— That it is expedient to remedy the injustice of imposing taxation for National objects on one description of property only, and therefore that no legislation with reference to Local Taxation will be satisfactory which does not provide, either in whole or in part, for the relief of occupiers and owners in counties and boroughs from charges imposed on ratepayers for the administration of justice, police, and lunatics, the expenditure for such purposes being almost entirely independent of local control, 143.

——— That, having regard to the principles and history of the past educational legislation and practice of Scotland, which provided for instruction in the Holy Scriptures in the public schools as an essential part of education, this House, while desirous of passing a measure during the present Session for the improvement of education in Scotland, is of opinion that the law and practice of Scotland in this respect should be continued by provisions in the Bill (*Education* (*Scotland*) now before the House, 181.

——— That, in the opinion of this House, it is desirable that facilities should be afforded, by all methods which may be practicable, for the confederation of the Colonies and States of South Africa, 212.

——— That, whenever the House shall meet at Two o'clock, the sitting of the House shall be held subject to the Resolutions of the House of the 30th day of April 1869, 225.

——— That having regard to the advanced period of the Session and the pressure of more important public business in which the House is already engaged, it is not expedient to proceed further with the consideration of this Bill (*Thames Embankment* (*Land*), 371.

——— relative to House of Commons Witnesses. Vide Witnesses.

——— relative to the Business of the House. Vide *infra*.

——— That whenever notice has been given that Estimates will be moved in Committee of Supply, and the Committee stands as the first Order of the Day upon any day except Thursday and Friday, on which Government Orders have precedence, the Speaker shall, when the Order for the Committee has been read, forthwith leave the Chair without putting any Question, and the House shall thereupon resolve itself into such Committee, unless on first going into Committee on the Army, Navy, or Civil Service Estimates respectively, an Amendment be moved relating to the Division of Estimates proposed to be considered on that day, 66. Vide *infra* (Business of the House).

——— That, except for a Money Bill, no Order of the Day or Notice of Motion be taken after half-past Twelve of the clock at night, with respect to which Order or Notice of Motion a Notice of Opposition or Amendment shall have been printed on the Notice Paper, or if such Notice of Motion shall only have been given on the next previous day of sitting, and objection shall be taken when the Notice is called, 96. Vide Supply (*Amendments on Question, That Mr. Speaker do now leave the Chair*).

——— That, in the opinion of this House, the system of Private Legislation calls for the attention of Parliament and of Her Majesty's Government, and requires reform, 109. (Vide Private Legislation).

——— That upon Tuesday next, and every succeeding Tuesday during the remainder of the Session, Orders of the Day have precedence of Notices of Motions, Government Orders of the Day having the priority, 365.

——— Order, That Government Orders of the Day have precedence To-morrow, Wednesday, 421.

——— Order, That the Standing Orders respecting Wednesday Sittings be suspended this day until the Proceedings upon the Intoxicating Liquor (Licensing) Bill have been concluded, 426.

——— resolves, at rising, to adjourn,—till a certain day, (Thanksgiving), 66; (Easter), 114; (Whitsuntide), 203.——At a certain hour of the day (Ash Wednesday), 38.

——— Motion, That this House will, at the rising of the House, this day, adjourn till Thursday next; and Question, on Division, resolved in the Affirmative, 212.

——— adjourns for want of Forty Members,—after proceeding to Business, 89, 164, 169, 186, 196, 212, 255, 266, 279, 335, 364.——Upon the Report of a Division by the Tellers, That Forty Members were not present, 245, 285.——Forty Members not having been present in Committee on a Bill, and the House having been told by Mr. Speaker, 364.
